In this grey grey world where nobody sings

I saw the face of a human doll

Her eyes were glass and her hair was gold

From her sweet soft lips you could hear that song go

Chorus:

Nanana nana nanana nana nanana nana nana nana 2x

In a place where hell is around the corner

I touched her hand it was baby sweet

She kissed me there I could feel the song going down  
my throat

She was singing to me

Chorus

My daddy said if you wanna live you'd better not  
touched it's not a toy

The truth is boy I'm a bloody fool I left the one that I  
loved behind singing

Chorus

Tell me what it is that brings me back to you

Tell me what it is I can't stop loving you 2x

So take me back to the land of yours where the black  
swan loves the one I lost

My generation sings with the radio on

The melody of the human doll

## Chorus
