To the sky, to the montain,  
To my river, to the valley,  
To my hometown, to my country,  
To the place where I was born.  
To my mother, to my father,  
To my sisters and my brothers  
To my friends and myself  
And to those I love so well.

Santa Maria

Prega per noi! (2x)

To the world and the people  
In their crises in their pains,  
For the children of tomorrow,  
For the wars that never end.

Santa Maria

Prega per noi! (2x)

To the skies, to the montains,  
To the rivers, to the vallies,  
To my hometown, to my country,  
To the place where I was born.  
To the heroes - that we need today,

To the lonely - with noone to cry,  
To the mothers - the source of life,  
To this world - where there's so much pain.
