To the sky

To the mountain

To the river

To the valley

To my hometown

To my country

To the place where I was born

To my mother

To my father

To my sisters

And my brothers

To my friends and myself

And to those I love so well

Santa Maria

Prega per noi

Santa Maria

Prega per noi

To the world

And the people

In their crisis

In their pains

For the children of tomorrow  
For the wars that never end  
Santa Maria ...  
To the sky  
To the mountain  
To the river  
To the valley  
To my hometown  
To my country  
To the place where I was born  
To the heroes  
That we need today  
To the lonely  
With noone to cry  
To the mothers  
This source of life  
To this world in so much pain  
Santa Maria ...
