You say it's hard on you

And sometimes someâ€¦â€¦ too, babe

And baby I understand

And believe me

I'm afraid of losing it too

I wish I was the girl

That's just across the road

Or in your class

Then I would want you

And count every freckle

That's across your sweet face

Chorus:

So many things I wanna do

But I can't be with you

So many things I wanna say

But you're too far away

So many things I wanna do

But the pain's too great

So many things I'd wanna say

But I guess it's too late

Life ain't always the way

You want it to be

And that's okay

Something tells me hon'

That this is the way

I'm having to take

Yeah-yeah-yeah

Chorus

Oh no.. no

I don't want to be

Brooding over you

But I don't want to see me

Like I used to be

So I'll let me out of it

About the way theâ€¦ â€¦ â€¦

For the sake of the chance

Of making something more beautiful

Oh yeah-yeah-yeah

Sometimes baby friendships can last (you) your
lifetime

oh yeah-yeah

Chorus 2x

Shalalalalalalaâ€¦ 8x

Sometimes baby friendships can last (you) your
lifetime

Sometimes honey friendships can last you
foreverâ€¦???

Chorus
