"Stay Beside Me"

One day I promise you

If you stay it will be OK

As long as you stay beside me

Stay beside me, it will be OK

And this day is on its way

So close your eyes and follow me

As long as you stay beside me

Stay beside me, it will be OK

Baby, baby, baby

Baby, baby, baby

It will be OK

Someone's trying to hurt

We're so strong, we're gonna go on

As long as we stay together

Stay together it will be OK

You know there's a way about me babe

Baby, baby, baby

Baby, baby, baby

Stay beside me

Stay beside me

It will be OK
