I'll send her a rose and I wonder

Will she cry or will she smile

Darling, don't let me down

Don't get some other one

'cause I'm for you

You're my sweetest angel, you go to my heart

You're my sweetest angel, you've got the touch to my heart

Baby, yeah

I took her hand and she smiled

Darling, I feel true love

Damn it! I won't...

Damn it! I won't let you down

'cause I'm for you

You're my sweetest angel, you go to my heart

You're my sweetest angel, you've got the touch to my heart

Baby, yeah

I only need my little room

A mirror and a brush

Don't forget the nicest pillowcase

You're my sweetest angel, you go to my heart

You're my sweetest angel, you've got the touch to my
heart

Baby, yeah
