Walkin' down the streets

You look into a dump

You look into a dump and you say

Why why whywhy why why

Running down the highway

As fastas you can

You throw a tin can and you say

Why why why why why why

Tell me why tell me why

Tell me why do you destroy

And you try and you try

To destroy

I'm knocking on your door

My knees are on the floor

I get you on the phone and you say no

Why why why why why why

Tell me why ...

Walkin' down the streets

You look into a dump

You look into a dump and you say

Why why whywhy why why

Medieval warrior riding on his horse

Slices your head and you say why

Why why why why why why

Medieval warrior riding on his horse

Promised you heaven

But put you through hell

Why why why why why why

Tell me why
