These are my friends  
see how they glisten  
see this one shine  
how he smiles in the light, my friend  
my faithful friend  
speak to me friend  
whisper, i'll listen  
i know i know  
you've been locked out of sight all these years  
like me my friends  
well i've come home  
to find you waiting  
home and were together  
and we'll do wonders, wont we  
you there my friend, i'm your friend too mr. todd  
come let me hold you, if you only knew mr. todd  
you are warm in my hand my friend  
my clever friend  
rest now my friend  
soon i'll unfold you  
soon you'll know splendors you never have dreamed of  
all your days  
my lucky friends  
til now you'll shine was nearly silver  
friends you shall drip rubies  
you'll soon drip precious rubies  
AT LAST!!! MY ARMS ARE COMPLETE AGAIN!!!
