Ah Oh Ah Oh

[Verse 1]

Ran into an old friend yesterday  
Caught me by surprise when he called my name  
He was a familiar face, from a chapter in my past  
Talked for a while, I smiled and then  
Said that he was seeing somebody and  
Told me this was gonna last  
Showing me her photograph

[Hook]

And all the feelings I thought were gone  
Came rushing back to me at once  
Tried to smile and hide the way I felt  
But I was thinking to myself

[Chorus]

(Truth is I never got over you  
(Truth is) Wish I was standing in her shoes  
(Truth is) And when it's all said and done  
Guess I'm still I love with you  
(Truth is) I never should have let you go  
(Truth is) And it's killing me cuz now I know  
(Truth is) And when it's all said and done  
Guess I'm still I love with you

[Verse 2]

We reminisce on the way things used to be  
Shed a couple laughs, shed some memories  
Talked about the things that changed  
Some for good and some for bad  
Then he said good-bye and he paid for brunch  
Promised that we'd always keep in touch  
Grabbed my bags and grabbed my furs, walked away  
and that was that

[Hook]

And all the feelings I thought were gone  
Came rushing back to me at once  
Tried to smile and hide the way I felt

But I was thinking to myself

[Chorus]

(Truth is I never got over you  
(Truth is) Wish I was standing in her shoes  
(Truth is) And when it's all said and done  
Guess I'm still I love with you  
(Truth is) I never should have let you go  
(Truth is) And it's killing me cuz now I know  
(Truth is) And when it's all said and done  
Guess I'm still I love with you

[Bridge]

Now the truth is it hurts but I that the fault mines  
'Cuz I let him go  
Tried to get over it but it's messed up he's not mine  
(Because I know)

[Chorus (2x)]

(Truth is I never got over you  
(Truth is) Wish I was standing in her shoes  
(Truth is) And when it's all said and done  
Guess I'm still I love with you  
(Truth is) I never should have let you go  
(Truth is) And it's killing me cuz now I know  
(Truth is) And when it's all said and done  
Guess I'm still I love with you

I just gotta be honest, I guess, I-I guess, I'm still in love,  
in love, in love
