*His name is Mr. Fantasy
Mama tells me he'll be too good to be true
His name is Mr. Fantasy
Tell me please, where is he

He's so handsome and very smart
Drives his fast car around the world
The super rich with a perfect heart
No one can deny

**And he'll fall in love with me
Take my hand and say the words
Love will last eternally
I'll be so happy to be with him

*Repeat

He know how to dance and talk
Flies his plane and plays guitar
Girls are watching as he walks
No one can ignore

**Repeat

His name is Mr. Fantasy
Papa tells me I'm just dreaming day and night
His name is Mr. Fantasy
Tell me, please, where is he

He's so handsome and very smart
Drives his fast car around the world
The super rich with a perfect heart
No one can deny

Papa tells me I'm just dreaming day and night
