A wise Man said just walk this way
To the dawn of the light
The wind will blow into your face
As the year pass you by
Hear this voice from deep inside
It's the call of your heart
Close your eyes and your will find
The passage out of the dark
Here I am, will you send me an angel
Here I am, in the land of the morning star
A wise Man said just raise your hand
And reach out for the spell
Find the door to the promised land
Just believe in yourself
Hear this voice from deep inside
It's the call of your heart
Close your eyes and your will find
The way out of the dark
Here I am will you send me an angel
Here I am in the land of the morning star
If you don't see nowhere

The escape from this dark
If you think that no one
Will come in your aid
The wise Man said that you don't
Have to do it all alone
Just an angel up there
Can help you to try
Here I am will you send me an angel
Here I am in the land of the morning star
The wise man said just find your place
In the eye of the storm
Seek the roses along the way
Just beware of the thorns
Here I am will you send me an angel
Here I am in the land of the morning star
