What do you say, forgotten boy? I cannot hear  
The words you tell me when you try to put me down  
I found the exit in your cage I take the key  
Let me sing my song and now open your eyes  
Look what I've become  
Now it's comin' on  
Like a blister in the sun  
I'm a spot into your heart  
Like a blister in the sun  
Remember what I've done  
Here I found myself Now all is done  
Do you realize that you cannot stop it now?  
Have you loose your dignity? The shame grow up  
Let me see your face and please stand up  
The story so far  
Let the show begin  
Like a blister in the sun  
I'm a spot into your heart  
Like a blister in the sun  
So tell me one more timeâ€¦!  
Like a blister in the sun

I'm a spot into your heart

Like a blister in the sun

Remember what I've done
