

Far Cry "Lately"

Visit "[Lately](#)" on MotoLyrics.com

Hey you! Stop waving your hands,

Don't you remember the time all together?

The nights we spent singing and drinking and singing,

Hey you! It seems just last night,

The songs we used singing and the place where we're
living

Oh no! Don't let it fade in your mind!

I'd like to sing again with you,

And see the world in a morning view,

Don't leave my dreams alone again,

Have you seen them?

Have you seen them lately?
