[Intro: Ol' Dirty Bastard]

I want two beef patties, special sauce, onions,
tomatoes

Lettuce, on a sesame seed bun... on a a sesame seed
bun, you big dummy!

Dah-dah-dah-deh-duhhhhhh (I want two beef patties)

Dah-dah-dah-deh-duhhhhhh (with onions... special
sauce)

Dah-dah-dah-deh-duhhhhhh (cheese on the special
sauce sesame seed bun!)

Dah-dah-dah-deh-duhhhhhh (you big dummy!)

Dah-dah-dah-deh-duhhhhhh

[Masta Killa]

I rock the mic and make the crown said "Ho!"

People if you ready to ride, then let's go

The older the wine, the more vintage

Each sentence, mature like stock dropped on beat

Sold in it's highest peak, the black panther

Call him for the answer, the shadow dancer

No cure for the cancer, carefully approach this near-
ville approach

Tension in the street, we stressed and wanna eat

Supply, meet the demand for those who get high

Sly & the Family, carve my name in Stone, peace to

Angie

On and On, Chief Jay Strong'

.44 long, state today's math and what's ya name born

The Abbott had his head reflectin' off the chrome

Bank loan for a mil', Oprah, hold me down like Dr. Phil

[RZA]

This is napsack rap, oint joint gas

My gats point at you now you can't point back

Penetratin' skulls, I'm diggin' holes like the mole

My sword will not dull

My daily toil's: to protect the Earth so the seeds won't
spoil

Ya Frankenstein type mind like Peter Boil

Hooked on that Power-U, money, weed, power, too

Powerful God-U, fine booze, lines of snooze

{*inhales*}

Clouds of smoke, we smoke today break
We keep the leaves soaked, in that PC
Y'all best to run when y'all see me
I'm like Godzilla stompin' through Mt. Fiji
On his way to Tokyo
You hollow block head tell lies like Pinocchio
Flip the Nokio phone, call my nigga T.S
"How you want the Triple X rock cut? V.S.?"
Or Princess, or simply solid
The Prince word is worth more than the wallet

[Chorus: Ol' Dirty Bastard]

Doggy doggy! We'll steal your bone!
Doggy doggy! We'll steal your bonnnne!
Doggy doggy! We'll steal your bone!
Doggy doggy! (I said!) We'll steal your bone!

[Outro: Ol' Dirty Bastard]

I said, two beef patties, special sauce
Onions, tomatoes, lettuce on a sesame seed bun
On a sesame seed bun, you big dummy!!
Dah-dah-dah-deh-duhhhhhhh
Dah-dah-dah-deh-duhhhhhhh
Dah-dah-dah-deh-duhhhhhhh
Dah-dah-dah-deh-duhhhhhhh
