She got girls, girls all over the world
She got men every now and then
But she can't make up her mind
On just how to fill her time
But the only way she can wind

A. C. D. C.

She's got some other lover as well as me

A. C. D. C.

She's got some other women as well as me

She's got some other women as well as me

She's got phone but they call her a bump
She got sick you wanna see her dinging
Well let's be in it together
I'll guess she'll be in it forever
You've got to take it now and ever

A. C. D. C.

She's got some other lover as well as me

She's got some other women as well as me

She got girls, girls all over the world
She got men every now and then
But she can't make up her mind
