A candle flickers in a window
Two thousand miles away she waits there
There's a young man thinking by a window
How was she to know just how much he cared

He always knew just what he could do
He always knew that his dream would come true

Alexander Graham Bell
Well, he knew darned well
That he could find the only way
To talk across the USA
Telephone, telephone
Never be on your own
Many many years ago
He started something with his first "Hello, hello"
Alexander Graham Bell
Alexander Graham Bell
Alexander Graham, Alexander Graham
Alexander Graham Bell

The sun rises early in the morning
Millions of people still unaware
Of something he discovered without warning
So he could show a girl just how much he cared

He always knew just what he could do
He always knew that his dream would come true

Alexander Graham Bell
Well, he knew darned well
That he could find the only way
To talk across the USA
Telephone, telephone
Never be on your own
Many many years ago
He started something with his first "Hello, hello"
Alexander Graham Bell
Alexander Graham Bell

Alexander Graham Bell
Well, he knew darned well

That he could find the only way
To talk across the USA
Telephone, telephone
Never be on your own
Many years ago
He started something with his first "Hello, hello"

Alexander Graham Bell
Well, he knew darned well
That he could find the only way
To talk across the USA
Telephone, telephone
Never be on your own
Many many years ago
He started something with his first "Hello, hello"
