Got a sweet snap and juggle a pack
It's very nice when it is going down
But if you got time, we don't need a dime
We'll save our money for a house in town

I'm talkin' about love, love , love, love
All you'll ever get from me
I'm talkin' about love, love, love, love
All you'll ever got from me

I'm talkin' about love, love , love, love
All you'll ever get from me
I'm talkin' about love, love, love, love
All you'll ever got from me

Cadillac car and blueberry jar
It doesn't matter what your fancy is
'Cause when you're alone and nobody's home
There's only one thing that you really miss

I'm talkin' about love, love, love, love
All you'll ever got from me
I'm talkin' about love, love, love, love
All you'll ever got from me

Yeah, I'm talkin' about love, love, love, love
All you'll ever got from me
I'm talkin' about love, love, love, love
All you'll ever got from me
