You better beware, you better take care  
You better watch out if you've got long black hair  
He'll come from behind, you go out of your mind  
You'd better not go, you'd never know what you'll find

You look in his eyes, don't be surprised  
If you don't know what's going on behind his disguise  
Nobody knows where Buster goes  
He'll steal your woman out from under your nose

Does anyone know the way, did we hear someone say  
We just haven't got a clue what to do  
Does anyone know the way, there's got to be a way  
To Block Buster

The cops are out, they're running about  
Don't know if they'll ever be able to Block Buster out  
He's gotta be caught, he's gotta be taught  
'Cause he's more evil than anyone here ever thought

Does anyone know the way, did we hear someone say  
We just haven't got a  
Does anyone know the way, there's got to be a way  
To Block Buster

Does anyone know the way, did we hear someone say  
We just haven't got a clue what to do  
Does anyone know the way, there's got to be a way  
To Block Buster

Buster, Buster, Block Buster  
Buster, Buster, Block Buster  
Buster, Buster, Block Buster
