Ah Ah...

So tired of ya lyin'
Take it as it comes
you've bin hanging round all weekend
I'm not the only one
If we don't fuck you then someone else will

You Fuck me in the kitchen
You fuck me in the hall
When your in the dressing room
You fuck any one at all
If we don't fuck you then someone else will

At the 3rd stroke
It'll be 5
52
spacemen
Watchout !

So tired of ya lyin'
Take it as it comes
you've bin hanging round all weekend
Now i'm not the only one
If we don't fuck you then someone else will
