

The Sweet "Call Me"

Hilton hotel room was small
Square box, two beds and four walls
I need the girl who is kind
Relief of my mind and body

I remembered the magazine ad
Pretty girls who will visit your pad
A knock at my door
Don't know what's in store for me
She said

Call me, call anytime
Call me when you want to unwind
Call me, daytime or night
Call me and I'll turn on your light
Oh, oh, oh, call me free phone

She walked in, I had to be strong
I felt she has always belonged
Ooh, I must keep calm
The sweat in my palm won't go away

She said, "Now please relax, my friend
I'll stay here 'til the very end"
She took off her shoes
Don't know what to do then
I heard her say

Call me, call anytime
Call me when you want to unwind
Call me daytime or night
Call me and I'll turn on your light
Oh, oh, oh

I lay on my belly
She rubbed the petroleum jelly
Her hand felt so good
Lie on my back, nearly blowing my sack
Oh, I wish you would

Surrender sweet
What she does with her feet

She satisfies and her pocket don't lie
Then she waved her "Goodbye"

Call me, call anytime
Call me when you want to unwind
Call me daytime or night
Call me and I'll turn on your light

Call me, call anytime
Call me when you want to unwind
Call me daytime or night
Call me and I'll turn on your light

Call me, call anytime
Call me when you want to unwind
