Give me your love
You gotta help me make it
Through the day or night
Just a taste
Of success is the front
Cover of TIME and LIFE
Oh I need your love, only you can satisfy me
Oh I need your love, you are in my hands
Oh Oh Oh you ain't going nowhere, no way, baby
I fell in love
With the golden sunshine
Deep within your eyes
In dreams i touch
The softness of your skin is paper thin
Oh I need your love, only you can satisfy me
Oh I need your love, you are in my hands
Oh Oh Oh you ain't going nowhere, no way, baby
I picked up the magazine from the rack
And you were there, how does it feel
To be the center of attraction, for so many here
Oooooh yeah
Oh I need your love, only you can satisfy me
Oh I need your love, you are in my hands
Oh Oh Oh you ain't going nowhere, no way, baby
