I met a girl who likes to dance
But there's only one way
To get inside her pants that's if I dance
Baby, there's no chance

Zombies brainwashed by the rhythm
Trapped inside their own escapism
In prison, I don't wanna be there
No, I don't wanna be there

Can't stand that disco music pain in my head
Can't stand that disco music pain in my head
Everyone said disco is dead
With it's boom, boom, boom, boom, ahh

Give me a drink while you're rollerskating
I'll be here if you're waiting to be fed in your bed
I ain't gonna dance, disco ain't worth your
masturbating
Rock and roll will still keep accelerating
I'll always be there, yeah, I'll always be there

Can't stand that disco music pain in my head
Can't stand that disco music pain in my head
Everyone said disco is dead
With it's boom, boom, boom, boom, ahh

Can't stand that disco music pain in my head
Can't stand that disco music pain in my head
Everyone said disco is dead
With it's boom, boom, boom, boom, ahh
