If I could make a wish
I'd throw a coin in the fountain
But fantasies don't always come true

And if I had no dreams
I'd never climb the mountain
The hand of fate will always be reachin' out for you

Like gold your love is the rainbow's end
Flyin' high like a bird in the sky
Your love is the rainbow
Colors of love in the sky

I've been sayin' all my life
I don't believe in magic
But fountain of faith, I'm puttin' my trust in you

Circles on the water
From the coin that's sinkin' slowly down
My future's reflecting my destiny's callin' out to you

Like gold your love is the rainbow's end
Flyin' high like a bird in the sky
Your love is the rainbow
Colors of love in the sky

Well how much time do you need?
The fountain holds the key
To unlock the love deep in your heart

I have kissed the water's lips
And now we're floating free
With no love before this new life can start again

Like gold, your love is the rainbow's end
Flyin' high like a bird in the sky
Your love is the rainbow
Colors of love in the sky
