I don't wanna know your name
'Cause you don't look the same
The way you did before

Okay, you think you got a pretty face
But the rest of you is out of place
You looked all right before

Fox on the run
You scream and everybody comes a running
Take a run and hide yourself away
Foxy on the run, f-foxy
Fox on the run and hide away

You, you talk about just every band
But the names you drop are second hand
I've heard it all before

I don't wanna know your name
'Cause you don't look the same
The way you did before

Fox on the run
You scream and everybody comes a running
Take a run and hide yourself away
Foxy on the run, f-foxy
Fox on the run and hide away

F-foxy, fox on the run
You scream and everybody comes a running
Take a run and hide yourself away
Foxy on the run, f-foxy
Fox on the run and hide away

Fox on the run
Fox on the run
Fox on the run
Fox on the run
