

## The Sweet "Funk It up"

David was dancin'  
With Charley standing in line, in the wings  
And yesterday's rain turns to snow

Shake your head now, honey child  
Shake your head now, honey child  
Jump back while I clean 'em up  
Shake your head now, honey child

Spotlights are blinding  
Like stars shooting down on the man  
Who fell to earth  
Spiraling up to the sky

Shake your head now, honey child  
Shake your head now, honey child  
Jump back while I clean 'em up  
Shake your head now, honey child

Shake that head, shake that head  
Shake my head, shake my head  
Clean up the line, clean up the line  
Clean up the line, clean up the line

Funk it up, funk it up  
Funk it up, funk it up  
Bring out the back  
Light up the front

Shake your head now, honey child  
Shake your head now, honey child  
Jump back while I clean 'em up  
Shake your head now, honey child
