Tell me is it really true
This feelin' that I feel for you
Your own kind of lovin'
That makes me think
Nothing could ever take the place of you

And it's so funny, funny
What you do, honey, honey
What you do, what you mean to me
And you know, honey, honey
Though it's so funny, funny
That you mean all the world to me

Ever since you came my way
I knew it was my lucky day
The sun started shinin'
When you started smiling
And I know it's gonna stay that way

And it's so funny, funny
What you do, honey, honey
What you do, what you mean to me
And you know, honey, honey
Though it's so funny, funny
That you mean all the world to me

Can't imagine lovin' anyone but you
Honey honey, so funny funny
Every minute lovin' everything you do
Honey honey, so funny funny
Couldn't see my way without you
Now I gotta tell the world about you

Tell me is it really true
This feelin' that I feel for you
Your own kind of lovin'
That makes me think
Nothing could ever take the place of you

And it's so funny, funny
What you do, honey, honey
What you do, what you mean to me

And you know, honey, honey
Though it's so funny, funny
That you mean all the world to me

And it's so funny, funny
What you do, honey, honey
What you do, what you mean to me
And you know, honey, honey
Though it's so funny, funny
That you mean all the world to me

And it's so funny, funny
What you do, honey, honey
What you do, what you mean to me
And you know, honey, honey
