Red light, green light, speedin' through the dark night
Drivin' through thee poundin' rain
I gotta see Jane
Windshield wipers, splishin', splashin'
Callin' out her name
Just gotta see Jane
I left her arms to find my way,
To find a plice, the constant chase to win the race
Have left me cold inside
I've gotta find what I left behind

* Red light, green light, speedin' through the dark
night
Drivin' through the poundin' rain
I gotta see Jane
Freeway, byway, tearin' up the highway
Runnin' from a world insane

Just gotta see Jane
A town of steel that isn't real,
It could not feel what's in the heart of me
I was so alone in a world of stone
I missed her arms that once held me
That made me see I was the only one
Without her there I was runnin' scared

And I feel the touch of time
Turnin' th wheel of life to yesterday
When love and happiness were mine
I've gotta find that world of Jane an d me like it used to
be

Her love for me I pushed aside
Walked out alone to face a world turned cold
Although I tried I could not survive
the frantic pace, the constant chase to win the race
it's not part of me
I've gotta find waht i left behind

* Red light, green light, speedin' through the dark
night
Drivin' through the pÃfÃfÃ,Ã¼ondin' rain

In gotta see Jane
Freeway,byway,tearin' up the highway
Runnin' from a world insane

Her love for me I pushed aside
Walked out alone to face a world turned cold
Although I tried I could not survive
The frantic pace,the constant chase to win the race
It's not part of me
I've gotta find what I left behind

I've gotta see Jane
I've gotta see Jane
I've gotta see Jane
I've gotta see Jane
