Hey lady, listen to me  
'Cause you ain't never heard of me  
Hey woman, open your eyes  
'Cause I wanna be seen by you

Oh no, don't go, baby I'm so  
Oh no, I know that I'm goin' anyway

Do you mind tonight I hold you tight the way it's like?  
It's a heartbreak today, don't leave me this way  
Do you mind tonight I hold you tight but what it's like?  
It's a heartbreak today, don't leave me this way  
Heartbreak today

Hey mister, what do you hear?  
Oh yeah, believe what you wanna hear  
Hey sister, what do you see?  
You're blind, but I know that you can see

I know your way could be my way  
You say, "You stay I'm goin' anyway"

Do you mind tonight I hold you tight the way it's like?  
It's a heartbreak today, don't leave me this way  
Do you mind tonight I hold you tight but what it's like?  
It's a heartbreak today, don't leave me this way  
Heartbreak today

Do you mind tonight I hold you tight the way it's like?  
It's a heartbreak today, don't leave me this way  
Do you mind tonight I hold you tight but what it's like?  
It's a heartbreak today, don't leave me this way  
Heartbreak today, heartbreak today, heartbreak today

Don't leave me this way  
Heartbreak today  
I'm goin' anyway  
Heartbreak today
