I've been much too long in this old casino  
Run out of money and luck  
I gotta find a way to that lucky number  
Say, buddy, can you give me a buck

A fortune lost when the dice was tossed  
Spin of the wheel was my friend  
I though I knew when the bridge was crossed  
Forget about tomorrow, live for today

I'm a hot shot gambling man  
Playing my game the only way I can  
I'm a hot shot gambling man  
Coming on home to you  
Yeah, I'm a hot shot lover  
Coming on home to you, yeah, yeah

I hope you understand the way I change my plan  
How I've falling for a lady like you  
I got three of a kind and I won the prize  
And they all turned out to be you

You brought me 'round when the chips was down  
You made the ace of hearts my friend  
Now I know I'll never be on my own  
I live for tomorrow, 'cause yesterday's gone

I'm a hot shot gambling man  
Playing my game the only way I can  
I'm a hot shot gambling man  
Coming on home to you  
Yeah, I'm a hot shot lover  
Coming on home to you, yeah, yeah

A fortune lost when the dice were tossed  
A spin of the wheel was my friend  
I though I knew when the bridge was crossed  
Forget about tomorrow, gotta live for today

I'm a hot shot gambling man  
Playing my game the only way I can  
I'm a hot shot gambling man

Coming on home to you  
Yeah, I?m a hot shot lover  
Coming on home to you, yeah

Yeah, I?m a hot shot gambling man  
Playing my game the only way I can  
Yeah, I?m a hot shot gambling man  
Coming on home to you  
Yeah, I?m a hot shot lover  
Coming on home to you, yeah

Hot shot gambling man  
Yeah, I?m a hot shot gambling man
