Early in the morning
'bout the break of day
That's when my baby went away
Come back baby I wish you would
This cryin' and a feeling won't do no good
Hugging and a kissing late at night
I tell you now baby I feel just right
Tell me now baby what you're trying to do
Ya trying to love me and some other man too
Come on now baby give me one more chance
You know I still love you, wanna give you romance
Give you romance ooh
All night long, in my arms
Ooh yeah
Early in the morning
'bout the break of day
That's when my baby went away
Come back baby I wish you would
This cryin' and a feeling won't do no good
You know baby I love you so
You know pretty baby
It hurts me to see you go
Oh yeah, oh yeah, oh yeah!
