Andy Scott

I was a king thought of everything  
Into the night  
Then I was out everybody shout  
Into the night  
I kinda was having lots of fun  
Into the night  
And now I've lost gotta count the cost  
Into the night

I couldn't lose  
When I was on top  
I couldn't lose  
But now it's all stopped

I wore a crown then began to frown  
Into the night  
I cast a spell and it fell on me  
Into the night

I dig a hole 'cause I got no soul  
Into the night  
I hear a phone then began to moan  
Into the night  
I couldn't lose  
When I was on top  
I couldn't lose  
But now it's all stopped

I'm in a sea and they don't want me  
Into the night  
I think I'll drown oh I'm going down  
Into the night  
Is this a dream in a golden beam  
Into the night  
I look up high and there's no sky  
Into the night

I couldn't lose  
When I was on top  
I couldn't lose

But now it's all stopped
