Everyday, is another chance
I'd sell my soul, to be near you
Eye to eye, just a glance
But love is blind, don't know what I can do

Here I stand before you
But you don't seem to notice me
If seeing is believing
Then how come you're not seeing me

*Invisible, you keep lookin' through me
keep lookin' through me
Invisible, I'm not even there
I'm not there

Fantasy, is running wild
You talk to me and I'm dreaming
Reality, I wish someone would wake me up
Don't you fade away
Touch me, I'm human
I'm not a shadow or a ghost
When I act outrageous
If I get through, it never shows

* Invisible, you keep lookin' through me
Keep lookin' through me
Invisible, I'm not even there
I'm not there

*Invisible, you keep lookin' through me
Keep lookin' through me
Invisible, I'm not even there
I'm not there
