The nights in this lonely world
Makes this life for me
Seem like an empty shell
But I'll wait till time arrives
Then we'll be together and I'll realize

The time I spend
Just feeling blue
Is all worth while
Now I'm with you, Jeanie
La, la, la, la, la, la, la

The sails on the open sea
Try to take the thought of you
Away from me
The blue visions in my eyes
Constantly remain
And make me realize

The dreams I spend
Just looking through
Seem all worth while
Now I'm with you, Jeanie
La, la, la, la, la, la, la
And now through the morning light
Traces of your voice
That echo warm me night
You appear and the sun will rise
Reaching out to me
And then I'll realize

The time I spend
Just feeling blue
Is all worth while
Now I'm with you, Jeanie (Repeat Twice)

Yeah, the time I spend
Just feeling blue
Is all worth while
Now I'm with you, Jeanie
La, la, la, la, la, la, la
