I wouldn't mind getting my hands  
On a great big stack of Krugerrands  
sell my soul and loose my friends  
and a one way ticket to Africa  
Gonna fill my pockets with Krugerrands

110 in the shade I don't care I've got it made  
First in line for the gold parade  
And a one way ticket to Africa

Krugerrands, Krugerrands, Krugerrands  
Gonna fill my pockets with Krugerrands

Straight ahead no turnin' round  
Bury my head deep in the ground  
Save myself from going down  
With a one way ticket to Africa  
Krugerrands, Krugerrands, Krugerrands  
Gonna fill my pockets with Krugerrands

I wouldn't mind getting my hands  
Dirty with some Krugerrands  
Sell my soul and loose my friends  
With a one way ticket to Africa

Krugerrands, Krugerrands, Krugerrands  
Gonna fill my pockets with Krugerrands (Repeat Twice)
