Uh i got the blues
For yesterday's news
Allright
Rock on

Well he's six feet tall
And he's three feet wide
And when he's turned up loud
You'd better step aside
He's got a heart thats burning fire and steel
That's the kind of heat that gives him man appeal
Broad at the shoulder, broad at the hip
Everybody knows you don't give no lip

To Mr. Marshall Stack
He's dressed in black
With a power attack
He's Mr. Marshall Stack
Oh he don't mess around

When he's on parade
You can see them smile
This man is not afraid
Not by a million miles
See his boys in their uniform
Join the regiment and get your shoulder worn
All you need is guts to handle fire and power
With Mr. Black around you see the opposition cower
Marshall Stack
He's dressed in black
With a power attack
He's Mr. Marshall Stack

Heavy loaded
Unexploded
Oh don't go playing with that gun
I'm your mother now son
When your out in the battlefield
With Mr. Stack behind you feel invincible
When you hear that sound you're in seventh heaven
This motherfucker goes right up to eleven

Marshall Stack
He's dressed in black
With a power attack
He's Mr. Marshall Stack
Marshall Stack
That's where it's at
He's dressed in black
The man in black is back
With a power attack
Give you a heart attack
He's Mr. Marshall Stack
Oh must be back
Marshall Stack
He's on the attack
He's dressed in black
Gonna break your back
Power attack
Old Marshall Stack
He's Mr. Marshall Stack
Oh he's on the attack
Marshall Stack
Oh you're all the same to me
With your B.B.C
Ahh yea
Marshall Stack (repeat till fade)
