People try to put us down
(Talking 'bout my generation)
Just because we get around
(Talking 'bout my generation)
Things they do look awful cold
(Talking 'bout my generation)
Hope I die before I get old
(Talking 'bout my generation)

My generation, my generation, baby

Why don't you all fade away
(Talking 'bout my generation)
Don't try to dig what we all say
(Talking 'bout my generation)

I'm not trying to cause a big sensation
(Talking 'bout my generation)
I can talking about my generation
(Talking 'bout my generation)

My generation, my generation, baby
Breal it Fuck that shit
Why don't you all fade away
(Talking 'bout my generation)
Don't try to dig what we all say
(Talking 'bout my generation)

I'm not trying to cause a big sensation
(Talking 'bout my generation)
I can talking about my generation
(Talking 'bout my generation)

My generation, my generation, baby

People try to put us down
(Talking 'bout my generation)
Just because we get around
(Talking 'bout my generation)
Things they do look awful cold

(Talking 'bout my generation)
Hope I die before I get old
(Talking 'bout my generation)

My generation, my generation, baby
