I know if i was strong enough  
I'd make you give me your love  
If i could just walk through the door  
You would grovel on the floor  
When i'd call  
You'll fall  
and you'll crawl  
and thats all

Take a look at yourself  
Ya not the man who could it to me  
Take a look at yourself  
Ya never bin like i want ya to be

But life still goes on just the same  
And your still just a bitchy dame  
If i could leave you i would see  
You still crawling after me  
When i'd call  
You'll fall  
and you'll crawl  
and thats all  
Take a look at yourself  
Ask ya momma does she think you could be  
Take a look at yourself  
Take a look an then come back to me

When i'd call  
You'll fall  
and you'll crawl  
and thats all

Take a look at yourself  
Ya not the man who could it to me  
Take a look at yourself  
Ya never bin like i want ya to be NO NO

Oh own up (Repeat 8 Times)
