You're a heterosexual dream
A super phallic machine
Well, who do you think you are?
Well, you think you're a star
Yeah, a rock and roll star, and you are

Oh, you part your lips that way
Do you care what people say?
The chicks know what you are
Well, they think you're a star
Yeah, a rock and roll star, you are

Rock and roll
You're rock and roll queen
Don't you know what I mean?
Oh, you know
You're a rock and roll queen
A young man's dream

Giving guitars head
In a silver stream of red
Has it gone too far?
Then you know you're a star
Yeah, a real superstar, and you are

Rock and roll
You're rock and roll queen
Don't you know what I mean
Oh, you know
You're a rock and roll queen
A young man's dream

Rock and roll
You're rock and roll queen
Don't you know what I mean
Oh, you know
You're a rock and roll queen
A young man's dream

You're a heterosexual dream
A super phallic machine
Well, who do you think you are?

Well, you think you're a star
Yeah, a rock and roll star, and you are
Well, you think you're a star
Yeah, a rock and roll star, and you are
Well, you think you're a star
Yeah, a rock and roll star, and you are
Well, you think you're a star
Yeah, a rock and roll star, and you are
Well, you think you're a star
Yeah, a rock and roll star
