You're a heterosexual dream
A super phallic machine
Well, who do you think ya are
Well, you think you're a star
Yeah, a rock'n roll star, you are

Oh, you point your lips that way
Do you care what people say
The chicks know what you are
Well, they think you're a star
Yeah, a rock and roll star, you are

Rock 'n' roll
You're rock 'n' roll queen
Don't you know what I mean
Oh, you know
You're a rock 'n' roll queen
A young man's dream

Given guitar's head
In a silver stream of red
Has it gone too far
Well you know you're a star
Yeah, a real superstar, you are

Rock 'n' roll
A rock 'n' roll queen
Don't you know what I mean
Oh, you know
You're a rock 'n' roll queen
A young man's dream
Rock 'n' roll
You're rock 'n' roll queen
Don't you know what I mean
Oh, you know
You're a rock 'n' roll queen
A young man's dream

You're a heterosexual dream
A super phallic machine
Well who do you think you are
Well, you think you're a star

Yeah, a rock 'n' roll star, you are

Well, you think you're a star
Yeah, a rock 'n' roll star, you are

Well, you think you're a star
Yeah, a rock 'n' roll star, you are

Well, you think you're a star
Yeah, a rock 'n' roll star, you are

Well, you think you're a star
Yeah, a rock'n roll star
