Pains in my heart, torturin' me with desire  
And when we part, emptiness puts out the fire  
Walkin' down the street, there's nobody there  
Cry in my sleep as long as I'm with her, I don't care

She gimme lovin'  
(Lovin')  
Lovin'  
(Lovin')  
Gimme lovin'  
(Lovin')  
Lovin' like I never had

Lovin'  
(Lovin')  
Gimme lovin'  
(Lovin')  
Lovin' like I never had

Child in the night, I'll always be by her side  
Feelin' alright, our lives will forever be tied  
Shoutin' my name whenever I'm in her  
Crying out loud whenever I break, but I don't care

She gimme lovin'  
(Lovin')  
Lovin'  
(Lovin')  
Gimme lovin'  
(Lovin')  
Lovin' like I never had

Lovin'  
(Lovin')  
Gimme lovin'  
(Lovin')  
Lovin' like I never had

Ooh, if she won't let me free  
I'm never fall asleep, I wanna be inside her  
Ooh, she knows that I'm her man  
She'll never understand, somehow I'm inside her, yeah

She gives me love, love, love  
Oh, baby, oh, a little love  
Love, love, love, love

Give me some love, oh, ya give me love  
Give me some love  
She gave me love then I'm alright  
Love, love, love, love
