Cold, cold in my heart  
It tears me apart  
I hunger for love  
How can I tell this is real  
I feel so lonely  
Oh so lonely, I hunger for love

Another woman in my arms again  
To help me tame the fire  
Lookin' over my shoulder

Chorus  
Shot me down in flames  
You could've given me a heart attack  
Shot me down in flames  
I'm burning up but there's no turning back  
Shot me down in flames

Thoughts, they fill my mind  
But they're unkind  
A mirror of you  
Lies that I can see in your eyes  
Tell me you're longing  
Tell me you're longing, to touch my heart

I've been a fool and now I'm on my own  
I never meant to hurt you  
Still hear the sound of your crying

Chorus

Another woman in my arms again  
To help me tame the fire  
And you're still crying

Chorus  
You could've given me a heart attack  
Shot me down in flames
