The heroine's a hero
Uprating me to zero
I couldn't hold a candle to you

The hardest part is leaving
This web of love you weaving

You've shattered my illusions
I've come to the conclusion
You're gonna do a number on me

I'll never get to heaven with you

There's a stairway to the stars
Yeah, but it's a freeway into your arms
There's a stairway to the stars
Yeah, but it's a freeway, stairway to the stars

Girls in your condition
They ain't in no position
To do the things you're doing to me

You opened like a flower
You filled my head with power

Boys get avaricious
Feeling pretty vicious
So don't you paint your fingers for me

No, no, you'll never get to heaven with me

There's a stairway to the stars
Yeah, but it's a freeway into your arms
There's a stairway to the stars
Yeah, but it's a freeway, stairway to the stars

Take the stairway to my heaven
Take the stairway to my heaven
Take the stairway to my heaven
Take the stairway to my heaven

There's a stairway to the stars

Yeah, but it's a freeway into your arms
There's a stairway to the stars
Yeah, but it's a freeway, stairway to the stars

Stairway to the stars
Stairway to the stars
Stairway to the stars
