You are the love of my life
That's what you are to me
You are the love of my life
That's what you mean to me

With my heart going boom boom
Your love is drivin' me to ruin

Strong love is just too much for my heart
Strong love is just too much for my heart

Oh, won't you kiss me again?
You sure know what you're doin'
Oh, won't you kiss me again?
Don't stop what you're doin'

There's somethin' I just gotta say
I can't keep it up every day
With my heart going boom boom
Your love is gonna drive me to ruin

Strong love is just too much for my heart
Strong love is just too much for my heart

With my heart going boom boom
Your love is gonna drive me to ruin

Strong love is just too much for my heart
Strong love is just too much for my heart
