Honey, you believe in me
All the love in your heart
You gave me has set me free

Night after night
Like a bird in endless flight
Lady of my dreams
You're everything to me
Oh, yeah

With every breath that I take
To help forget the heartache
I know that this love is real
By the way that I feel deep inside

Thank you for loving me
Thank you for loving me, baby
Thank you for loving me
Ooh, and I can't ask for any more

Lover, I wasted so much time
When you took my hand in yours
I knew you where mine

I saw the light
No more ships that pass in the night
Now I've change my way
I want you to help me to stay in love

Somethings you never forget
Just like the first time we meet
You where a woman so wild
With a face of a child, I wanted you

Thank you for loving me
Thank you for loving me, baby
Thank you for loving me
Ooh, and I can't ask for any more

Honey, do you believe in me?
All the love in your heart
That you gave me has set me free

You're everything to me

Somethings you never forget
Just like the first time we meet
I know that this love is real
By the way that I feel deep inside

Thank you for loving me
Thank you for loving me, baby
Thank you for loving me
Ooh, and I can't ask for any more

Thank you for loving me
Thank you for loving me, baby
Thank you for loving me
Ooh, and I can't ask for any more

Thank you for loving me
Thank you for loving me, baby
Thank you for loving me
