I'm on the outside and wanna be in
Babe it ain't easy, survival's a sin
Asking the questions, a man with a tie
There ain't no answer, I don't know why

So where d'ya go
When your face don't fit the future
Where d'ya go
When you ain't got no future
Where d'ya go

Sitting at home in my old rockin' chair
Listenin' to flipsides ain't got me nowhere
Thought I'd get hip joined in the trip
But all I got was a nose in the air

So where d'ya go
When your face don't fit the future
Where d'ya go
When you ain't got no future

I'm on the inside and everyone's out
Got it together, there ain't no doubt
It took me away, took me way
They took me away; they took me away

So where d'ya go ...
