Sweet woman, you know you're gonna give me the
shakes
You know it's gonna be alright, it's gonna be alright
Oh, baby turn your back on me
Oh yeah, your back on me tonight
Yeah, it's gonna be alright, it's gonna be alright

White mice into your head, out of my head
Gonna be alright
(Be alright)
It's gonna be alright
(Be alright)
It's gonna be alright
(Be alright)

Pretty baby, gonna drive you wild tonight
You know it's gonna be alright, it's gonna be alright
Oh honey, gonna spend my money
Oh yeah, I'm gonna spend my money on you
I said, it's gonna be alright
You know it's gonna be alright

Black cat into my head, out of my head
It's gonna be alright
(Be alright)
It's gonna be alright
(Be alright)
It's gonna be alright
(Be alright)

Gonna be alright
It's gonna be alright
It's gonna be alright

Little lover, gonna make you spread tonight
You know it's gonna be alright, it's gonna be alright
Oh baby, gonna face the pace
Oh yeah, face to face with you, it's gonna be alright
You know it's gonna be alright

White light into my eyes, I saw the light
It's gonna be alright

(Be alright)
It's gonna be alright
(Be alright)
It's gonna be alright
(Be alright)
