Was in the mood, way above
Layin' down my money for love
She's the kind of lady
Wouldn't take a 'Maybe' from me

She saw the lip on my face
Sitting outside of my place
I did all the talking
She did all the walking for me

I didn't come down with yesterday's rain
You're fooling nobody
I didn't come down with yesterday's rain
Don't tell me you're sorry
You're fooling nobody

I said a score, but no higher
Sale or return on no buyer
If you keep on refusing
Then you're gonna be abusing yourself
That's nice!

You've got to make your mind up
Or God only knows where I'll wind up
You know I ain't no ginger
So baby, lay your fingers on me

I didn't come down with yesterday's rain
You're fooling nobody
I didn't come down with yesterday's rain
Don't tell me you're sorry
You're fooling nobody

She gave me love, bonafida
Up to my balls inside her
She's the kind of lady
Who won't been sayin' maybe to me

You truck it, baby
You'll find another sucker, baby
She's the kind of lady
Who's gonna take a maybe from me

I didn't come down with yesterday's rain
You're fooling nobody
I didn't come down with yesterday's rain
Don't tell me you're sorry
You're fooling nobody

I didn't come down with
(Down with)
Yesterday's rain
(Down with)
Yesterday's rain

I ain't foolin'
I ain't foolin'
I ain't foolin'
I ain't foolin'
