I WASTED MY LIFE ON PEOPLE LIKE YOU FOR FAR TO
LONG
Look in my eyes, this rivers gone dry
no more late nights, still wondering why
give back what you've taken, that piece of me
I held so close, an infection embodied
LOST YOUR LOVE OVER A QUESTION
THE LIE OF TIME LOVE OR RELIGION
Look in the sky, to invent the voice
Of the thing, who makes your choice
And its so easy, When you have a excuse
For your love loss, and emotional abuse
LOST YOUR LOVE OVER A QUESTION
THE LIE OF TIME LOVE OR RELIGION
I WASTED MY LIFE ON PEOPLE LIKE YOU FOR FAR TO
LONG
