"Honor In Brotherhood"

Friendship, Family, What's that mean
Loyalty, Brotherhood, means nothing
BUT I KNOW WHO MY FRIENDS ARE and that? not you
and I know who my friends are because they stay true
since the beginning, they?e been beside me until the
end, there die beside me
ONE LOVE IN ONE HEART CARVED IN STONE TIL THE
END OF TIME
Friendship, Family, What's that mean
Loyalty, Brotherhood, means everything
Gathered as one, UNITED
AND SO HOW WE?E GROWN
AND HAVE COME TO KNOW
THIS IS ALL THAT WE HAVE
HONOR IN BROTHER HOOD (repeat)
