No Use in Trying when there's nothing to die for?For  
now.

But still we follow

Your flock of sheep head first STRAIGHT INTO HELL.

What do we have to show

Absolutely nothing, a life time of lets downs and  
constant change,  
grief stricken, IN YOUR CONTROL?And in your  
leadership we continue to walk blind to the realization  
and constant babble OF YOUR LIES.

STILL WE STAND?STRONG

NULLIFIED IN?WORDS

But alas the minds are clouded by the deceit  
and ignorance brought forth by the machine  
WE NEVER KNEW WAS THERE?From some fucking book  
we put so much god damn faith in  
FOR NOW TIL THE END OF EXISTENCE

BUT WE HAVE ALL BEEN SHELTERD,  
FROM WHAT WE KNOW IS TRUE,  
A HARSH LESSON NEVER LEARNED BY THE CHILDREN  
BORN INTO DEBT.  
BUT CAN WE FIND A CHANGE FOR TOMORROW,  
WE CAN WE CAN WE CAN WE CAN WE CAN WE CAN?
